

# COMMUNITY HEALTH EMS (CHEMS) MEASURES DESIGN WORKGROUP

**Mary Sheridan**, Bureau Chief  
Rural Health & Primary Care, Division of Public Health,  
Idaho Department of Health and Welfare

February 25, 2016

IDAHO DEPARTMENT OF HEALTH & WELFARE  
**DIVISION OF PUBLIC HEALTH**

Bureau of Rural Health  
& Primary Care

# MEASURES DESIGN WORKGROUP

The goal of the CHEMS Measures Design Workgroup is to identify metrics, data collection mechanisms, and data reporting strategies to test CHEMS.

The recommendations will be presented to the Idaho Healthcare Coalition for approval and implemented by CHEMS agencies participating in the Statewide Healthcare Innovation Plan initiative.

# FOLLOW-UP AND REMINDERS

- Statewide Healthcare Innovation Plan (SHIP) Goal 3
- Triple Aim:
  1. Improve population health
  2. Patient experience of care (satisfaction and quality)
  3. Reduce system costs
- Representative Malek update
