

COMMUNITY HEALTH EMS (CHEMS) NEXT STEPS

- Two separate CHEMS workgroups in the past
- Significant amount of work to accomplish
- SHIP: advisory vs. workgroup
 - Advisory: existing committee with SHIP overlap
 - Workgroup: committee with prescribed scope (charter)

IDAHO DEPARTMENT OF HEALTH & WELFARE
DIVISION OF PUBLIC HEALTH

CHEMS TRANSITION TO SHIP WORKGROUP

- April Idaho Healthcare Coalition meeting
 - Wayne and Mary co-chairing
- Cross-section of stakeholders that are internal champions of CEMS within their areas of expertise
 - Provide guidance and program development support
 - Additional subject matter expertise, when needed
- Examples of CEMS workgroup topics:
 - On-site program development support, coaching and mentoring program
 - CEMS telehealth programs
 - ILS and BLS CEMS: scope, measures, education
 - Long-term measurement
- Questions?
