Idaho's Statewide PCMH Learning Session – Nov 6, 2015 | Boise, ID

Moving Forward with Patient-Centered Medical Homes

The Idaho Primary Care Association (IPCA), the Idaho Healthcare Coalition (IHC), and the Idaho Department of Health & Welfare (IDHW) are proud to announce this event to highlight the states' ongoing commitment to the Patient-Centered Medical Home model.

Join us to hear from local and national content experts, network with others, celebrate our successes and together move forward to improve healthcare delivery and outcomes for Idahoans.

This Learning Session will provide an opportunity to:

- Hear from and interact with national, state and peer experts
- Learn about and share best practices in PCMH, Quality Improvement, Behavioral Health Integration and related topics
- Make connections and network with other stakeholders in the Idaho PCMH community
- Develop a greater understanding of PCMH efforts across the state, including the Statewide Healthcare Innovation Plan (SHIP) and other initiatives
- Participate in developing a shared vision for PCMH in Idaho
